Quote from the fitba nomad

I was particularly happy to see one large snap of a side surrounding that famous Scottish Amateur Cup. Nice to speak to people as well, with Edinburgh Councillor Norman Work recording a vlog of the day and Twitter's own @TerraceTrails in attendance as match sponsor. As club's clubs go, Strollers have a good one. Busy too.

Craig @terracetrails said

"I had a fantastic time at @csstrollers today. The hospitality was incredible, the club went over and above. Me & the guys had the best day out. Absolutely first class from start to finish. Strollers have been amazing to me since my first time & it is an honour and a privilege to be able to sponsor a game at a club that means so much to me. Thanks so much to everyone at the Strollers for making today a day to remember. Highly recommend sponsoring a game at CGP, you will have an amazing time".

Local Councillor Norman Work after the Gretna trip

"Brilliant win and a great day out following @csstrollers .Thanks for inviting Craig and me along".
